Dear Patriot,

For the past week, the National Support Team here at Tea Party Patriots has been asking for your help to “Make Harry Reid Cry” as part of our **\$800,000** fall fundraising push.

And today, the last day of this funding drive, I wanted to personally ask you for your help.

[Will you please make a generous donation of \\$25, \\$50, \\$100, \\$250, \\$500, or more right now by clicking here?](#)

You see, we've been having some fun with Harry Reid this week (especially by posting some great “Harry” cartoons on our landing page), but in reality, this is a very serious

situation.

Harry Reid is one of the most vitriolic and outspoken opponents of the Tea Party movement.

He has contempt for average Americans like you and me who want to take our country back from him and his Ruling Class allies.

And that's why he will stop at nothing to destroy us - and why we must stop at nothing to defeat him this fall.

[Please, help us do that by making your very best gift right now.](#)

Tea Party Patriots is preparing to launch a historic grassroots get-out-the-vote initiative this fall.

We have examined the numbers and the polls, and we have laid out a plan that will enable us to fire Harry Reid before he can do any more damage to our country.

In 2010, we fell short of the Senate majority by a relatively few 175,000 votes in four states. In 2012, we fell short by 433,000 votes in six states.

This year, we're prepared to go after every single one of those votes. We have identified the undecided voters in each of the most contentious swing states, and we're prepared to do whatever we have to do to move them to the polls!

But we still need your help to do it. We have a goal of \$800,000 because it will cost about \$2 to contact each voter by mail, by phone, and in-person.

That's why it is absolutely imperative that we hit this \$800,000 goal.

Your gift today will be sent immediately to the front lines to enable our grassroots volunteers and staffers to contact these voters and move them to the polls to fire Harry Reid.

If we succeed this year, we will shock the political world. And most importantly, we will halt the Obama agenda for the next two years.

But if we fail, Harry Reid will have carte-blanche to run rampant during Barack

Obama's "lame duck" period.

He'll make good on his promise to ram amnesty through Congress. He'll fight like crazy to amend the 1st Amendment to target political free speech from conservatives and Tea Party activists. And he'll cement Obamacare into law forever.

I can't bear the thought of Harry Reid getting another two years. That's why he's in our crosshairs this fall - and that's why we must hit this goal.

Friend and fellow patriot, today is the last day of the "Make Harry Reid Cry" fundraising drive. I hope you'll help us make it count by making your very best gift right now.

Thank you so much for your support!
