

# CORONAVIRUS RESPONSE

## Things to do during the “Slow the Spread” Period

- 1 Pray for President Trump**
- 2 Have your child email a card to his or her teacher while school is out.**
- 3 Offer to pick up supplies for a neighbor who is shut in because of the quarantine.**
- 4 Order restaurant or grocery food for a friend.**
- 5 Do a video chat with an elderly friend or family member.**
- 6 Call a friend or neighbor whose business is going through a rough period. Encourage him or her.**
- 7 Take the extra time to read more to your child.**
- 8 Start a new family tradition – family reading hour together, for example.**
- 9 Thank your postman for his work. Leave a card for him.**
- 10 Find one way each day to show your neighbor that Americans have been identified as the most charitable people in the world – for good reason.**
