

"END THE WITCH HUNT" SIGN-WAVING EVENT QUICK ORGANIZING REFERENCE GUIDE

The Trump Defense Team/Fight Impeachment Now coalition is calling for "End the Witch Hunt" sign-waving rallies during the week of December 9-13. This one-pager contains basic instructions for organizing a sign-waving event. Sign-waving events can be as simple or complicated as you'd like to make them.

Basic Steps

1. **Pick the date, time, and location** – For these specific "End the Witch Hunt" events, the date should be any day during the week of Dec. 9-13. Pick a time that works for you, ideally at a time when there is more traffic. Finally, for the location, we recommend a busy intersection/corner, on an overpass, or outside of a business (like a shopping center) or office (like the Post Office) that has a lot of traffic, or outside the office of your Member of Congress.
2. **Invite likeminded contacts** – Email, call, or text likeminded people you know and give them the details for your event. Also use social media to spread the word – simply post your event details on Facebook, or Twitter, or whatever platform you use. Add the following text to any post you make: *#EndTheWitchHunt*. Note that there will likely be a few other hashtags we want to use for these events, so keep an eye out for more information.
3. **Enter your event details on our website** <https://www.teapartypatriots.org/create-an-event/> – Make sure to enter the date, time, and location details so that other people who want to attend can find your event!
4. **Make some signs to bring** – get some poster board from Walmart, Target, a crafting store, an office supply store, etc. We will have sign suggestions out sometime before the week of Dec. 9th.
5. **Take at least one friend and show up!** Even if it ends up just being you, or just you and a friend, your public display of support for President Trump and your public display of opposition to the corrupt sham of impeachment will act as a catalyst for others that agree with you, but just needed to see someone else go first.

FINALLY: Take pictures! Be sure to take pictures of your rally and people holding signs and flags. Email the pictures to us at photos@teapartypatriots.org or text them to (404) 996-1717 and also be sure to post your pictures on your Facebook page and any other online forums that you use.
