

QUICK REFERENCE GUIDE FOR ORGANIZING A FLAG WAVING EVENT

BASIC STEPS FOR YOU TO DO

- 1 Pick the date, time, and location** – The date should be Friday, June 14th, in order to flag wave on Flag Day. Pick a time that works for you, ideally at a time when there is more traffic. Finally, for the location, we recommend a busy intersection/corner, on an overpass, or outside of a business (like a shopping center) or office (like the Post Office) that has a lot of traffic.
- 2 Invite likeminded contacts** – email, call, or text likeminded people you know and give them the details for your event. Also use social media to spread the word – simply post your event details on Facebook, or Twitter, or whatever platform you use. Add the following text to any post you make: **#FlagDay**.
- 3 Enter your event details on our website: tpp.us/createevent** – make sure to enter the date, time, and location details so that other people who want to attend can find you!
- 4 Make some signs to bring** – get some poster board from Walmart, Target, a crafting store, an office supply store, etc. See sign suggestions below.
- 5 Take at least one friend and show up!** Even if it ends up just being you, or just you and a friend, your public display of opposition to socialism and support for freedom will act as a catalyst for others that agree with you, but just needed to see someone else go first.

WHAT IS FLAG DAY?

Flag Day is celebrated on June 14. It commemorates the adoption of the flag of the United States on June 14, 1777 by resolution of the Second Continental Congress.

The United States Army also celebrates the U.S. Army Birthdays on this date; Congress adopted “the American continental army” after reaching a consensus position in the Committee of the Whole on June 14, 1775.

It also happens to be President Trump's birthday!
