

MEETING IN A BOX: GOD'S CHILDREN ARE NOT FOR SALE

Thank you for hosting a meeting to educate others and inspire them to save America!

The topic for this Meeting in a Box is based on our *God's Children Are Not for Sale* toolkit. The resources in this box will allow you to easily educate your members about the scourge of child sex trafficking in the United States, and particularly about how the corrupt public policies of open borders and the sexualization of children in government schools enables and increases child sex trafficking. It will help your members connect this evil to the need to sign up to help secure and win the election – which is the only way we will change these immoral policies.

Included in this Meeting in a Box:

- ✓ A downloadable, detailed PowerPoint presentation if you have more time
- ✓ A downloadable, summarized PowerPoint presentation if you have less time
- ✓ 50 copies of a takeaway handout for attendees with a call to action
- ✓ One copy of the *God's Children Are Not for Sale* how-to guide
- ✓ One tabling sign
- ✓ Handheld signs
- ✓ Stickers

MAKE COPIES

If you need to print additional handouts, you can either photocopy one from the box, or you can download the document and print.

CUSTOMIZE

Note that the PowerPoint presentations and handout have information of a more generic nature included, so that it is beneficial to most leaders. Feel free to add/edit slides or handouts to fit your specific needs and the situation/requirements in your local area and state. I suggest that you save a copy of the presentation as is, and then edit one of the copies. That way you are able to send the originals to others, while customizing your copies.

RECRUIT

We need *tens of thousands* of patriots working to secure the election and working to win the election, so that we get the opportunity to change policies. We will not be able to recruit enough people if they don't know we need them. We would love for you to share the link to the PowerPoint presentations, the handout, and the how-to guide with other leaders you know – or you could email them to others as well. You could also encourage them to sign up for their own Meeting in a Box if they'd like the other resources. We must all be recruiting, and then helping the people we've recruited to recruit others, and on and on, if we hope to secure and win this year.

TAKE PHOTOS

Please make sure to take a picture of your meeting where you've used this Meeting in a Box. It is most helpful if it has the tabling sign in it, as well as members holding the handheld signs. Please also have someone in the audience take a photo as you give the presentation. Lastly, please tag us at **@TPPatriots** in your social media posts with the photos that are taken. Photos allow us to show donors that the grassroots benefit from their generosity, and it then allows us to continue to provide these kinds of resources! *Send your photos to photos@teapartypatriots.org.*

SEND US FEEDBACK, QUESTIONS, CONCERNS

Let us know how you were able to use this Meeting in a Box, and which parts were most and least helpful. Also, if you have questions, need help, do not understand the directions, or need anything else, *please reach out to us at local.leader@teapartypatriots.org.*

I am so incredibly thankful for you and for your desire to secure and win the election this year. Our country is in danger right now, there is no doubt about it, and there is no way we can save America without you. Thank you.

In liberty,

Jenny Beth Martin
