CHANGING POLICY THROUGH LEGISLATION

When we secure and win the election in 2024, then we will be able to work to pass legislation like H.R. 2, the Secure the Border Act; and H.R. 5415, the Safeguarding Endangered Children, Unaccompanied and at Risk of Exploitation (SECURE) Act. H.R. 2 is a real border security bill and closes loopholes being exploited by the current administration. The SECURE Act compels the Biden Administration to report on its efforts to locate, establish contact with, conduct wellness checks on, and investigate any suspicion of human trafficking related to the approximately 85,000 unaccompanied migrant children released from federal custody without continued official contact. Until we have more people who agree these problems must be solved in Congress and the White House, we will not be able to solve them. So, we must Secure and Win in 2024. Then in 2025, we can work on advancing legislation that will change policy!

BASIC STATISTICS ABOUT CHILD SEX TRAFFICKING

For basic facts and statistics about child sex trafficking in America and the world, please visit Operation Underground Railroad's toolkit at: tpp.me/our-mediakit

CHILD SEX TRAFFICKING AND OPEN BORDERS

A huge factor in child sex trafficking in America is our open border and lack of immigration enforcement. It is clear that our virtually nonexistent border facilitates child sex trafficking and other forms of forced child labor.

Here's how it works: An unsecured, open border enables child sex trafficking by first incentivizing illegal immigrants to attempt the journey because they know they can get into the country more easily. In turn, that incentivizes *and* provides cover for human smugglers and traffickers, because there is a larger supply of potential victims, therefore more profit, and less risk – a perfect storm.

It's simple; the more opportunity there is to do evil, the more that evil will flourish. It's clear that evil is flourishing under the Biden administration. ***His deliberate destruction of our border, Constitution, laws, culture, and sovereignty is allowing evil to run rampant. These policies must be stopped, but they can only be stopped if we Secure and Win...***

CHILD SEX TRAFFICKING AND RADICAL GENDER IDEOLOGY

The chilling truth is that radical gender ideology – an ideology that destabilizes children mentally and emotionally about who they are as human beings and then indoctrinates them with inappropriate, graphic, pornographic depictions and discussions of sex – serves children up on a silver platter to child sex traffickers and other predators. Does radical gender ideology –

- Put a wedge between children and their parents and brainwash them into thinking their parents are the bad guys? **Check.**
- Teach children to keep secrets with adults who aren't their parents excluding their actual parents? **Check.**
- Introduce children to completely inappropriate sexual imagery and discussions without permission and do it early so it is normalized and their natural inhibitions are eliminated? **Check.**
- Confuse children and teach them to mistrust their instincts, making them vulnerable to predators? **Check.**

In every way, at every opportunity, Joe Biden and his administration promote and defend actions that mutilate children's minds and bodies. These policies must be stopped, but they can only be stopped if we Secure and Win...

WHAT CAN YOU DO?

Most importantly in 2024: **We must secure and win the election!**

There is no way we will be able to stop the invasion at the border, stop child sex trafficking radical gender ideology in schools, and stop the medical industrial complex from mutilating children **IF WE DO NOT SECURE THE ELECTION AND THEN WIN IT!** The policies won't change unless we secure and win.
