## DEFINITIONS

- **SEX TRAFFICKING:** Sex trafficking occurs when someone uses force, fraud, or coercion to cause a commercial sex act with an adult or cause a minor to commit a commercial sex act [[Shared Hope](#)]
- **CHILD SEX TRAFFICKING:** refers to the recruitment, harboring, transportation, provision, obtaining, patronizing, or soliciting of a minor for the purpose of a commercial sex act. Force, fraud or coercion do not need to be present for the crime to be considered child sex trafficking [[justice.gov](http://justice.gov)], [[humantraffickinghotline.org](http://humantraffickinghotline.org)]
- **CHILD EXPLOITATION:** is a broad term that encompasses all forms of child sexual exploitation. This may include many of the other terms on this list, such as child sexual abuse material, child sex trafficking, and others like sextortion.

## ONLINE EXPLOITATION

**CHILD SEXUAL ABUSE MATERIAL (CSAM):** refers to any content that depicts sexually explicit activities involving a child. Visual depictions include photographs, videos, live streaming, and digital or computer generated images indistinguishable from an actual minor. CSAM better describes the reality of this crime, rather than the legal term of child pornography. It's important we use terminology that reflects the impact of this crime on its victims [thorn.org]. "At any given time, there is an estimated 750,000 child predators online – and they all have a key to your house via the Internet" [FBI, nd]

## STATISTICS

- There are 40.3 million trafficked persons globally today and 25% of them are children [Liberate Children, International Labour Organization] Forms of Child Trafficking include forced marriage, begging, sweatshops, pornography, migrant farming domestic labor, sextourism, armed groups (commonly known as child soldiers) [Unicef]
- Sex trafficking is the most common type of trafficking in the US. In North America 72% of detected survivors were trafficked for sexual exploitation. [UNODC], [HTIP Report 2020]
- 70 million CSAM files are estimated in 2019. 78% of this file are children under the age of 12 [thorn.org]

Child sex trafficking is an evil, horrific industry. It is also a reality for millions of children worldwide who are modern-day slaves.

Most of us will not be storming South American trafficking compounds, but there are actions we can take to make the United States less hospitable to child sex trafficking. There is no reason that our nation should be facilitating this evil practice.

The truth is that our open borders, lack of immigration enforcement, and the sexualization and grooming of children in government schools is facilitating child sex slavery. **This is where we can make a difference, because bad public policy is the driving force behind all of this.**

***But in order to change public policy, we must SECURE the election in November and then we must WIN it.***

# TRAFFICKING AND OPEN BORDERS

A huge factor in child sex trafficking, especially of non-American children, is our open border and lack of immigration enforcement. It is clear that our virtually nonexistent border facilitates child sex trafficking and other forms of forced child labor.

**In a nutshell: an unsecured, open border enables child sex trafficking by first incentivizing illegal immigrants to attempt the journey because they know they can get into the country more easily. In turn, that incentivizes and provides cover for human smugglers and traffickers, because there is more demand for their services and there is less risk involved.**

It's simple; the more opportunity there is to do evil, the more that evil will flourish.

***It's clear that evil is flourishing under the Biden administration. His deliberate destruction of our border, Constitution, laws, culture, and sovereignty is allowing evil to run rampant. These policies must be stopped, but they can only be stopped if we Secure and Win...***

# TRAFFICKING AND RADICAL GENDER IDEOLOGY

The chilling truth is that radical gender ideology – an ideology that destabilizes children mentally and emotionally about who they are as human beings and then indoctrinates them with inappropriate, graphic, pornographic depictions and discussions of sex – serves children up on a silver platter to child sex traffickers and other predators.

- Put a wedge between children and their parents, and brainwash them into thinking their parents are the bad guys? **Check.**
- Teach children to keep secrets with adults who aren't their parents excluding their actual parents? **Check.**
- Introduce children to completely inappropriate sexual imagery and discussions without permission and do it early so it is normalized and their natural inhibitions are eliminated? **Check.**
- Confuse children and teach them to mistrust their instincts, making them vulnerable to predators? **Check.**

***In every way, at every opportunity, Joe Biden and his administration promote and defend actions that mutilate children's minds and bodies. In 2022 his politicized DOJ sent a threatening letter to state Attorneys General warning them that banning these evil procedures for minors was a "civil rights violation." These policies must be stopped, but they can only be stopped if we Secure and Win...***

# WHAT CAN YOU DO?

Most importantly in 2024:

**WE MUST SECURE AND WIN THE ELECTION!**

There is no way we will be able to stop the invasion at the border, stop child sex trafficking and radical gender ideology in schools, and stop the medical industrial complex from mutilating children, ***IF WE DO NOT SECURE THE ELECTION AND THEN WIN IT!***

# SECURE AND WIN

**Secure** means doing the work it takes to ensure the election is honest, transparent, and trustworthy. ***We need poll workers, poll watchers, and public observers.***

**Win** means getting conservative voters to vote and making sure their ballots are turned in. ***We need people to do Get Out The Vote and ballot chasing.***

Secure and Win doesn't happen without patriotic Americans like you stepping up to work as poll workers or poll watchers, and working to Get Out The Vote in various ways.

***If conservatives don't secure and we don't win, then we don't end the invasion, and we fail our own children and the children being trafficked. See the handout provided for details about how YOU can be a poll worker and/or do Get Out The Vote work and stop the public policy allowing this evil to flourish!***

# WHAT ELSE CAN YOU DO?

**The first step** is to learn about how the issue of child sex trafficking is tied to an open border, lack of enforcement of immigration law, and radical gender ideology in our schools – that's what you're doing now.

**Next:** Educate friends, family, and your community. Social media, letters to the editor, talking to friends and family, and public events are the best ways to do this. Make sure they understand that bad public policy creates the environment in which child sex trafficking thrives, and that they are needed to help us secure and win, so that public policy changes.

**Also:** During legislative seasons and cycles, work with lawmakers to change public policy secure the border and remove radical gender ideology/comprehensive sex education from schools.
