

# PASS THE **SAVE** ACT

## SIGN THE PETITION

To the Members of the United States Senate and House of Representatives:

As your constituent, I urge you to take immediate action to secure our elections and protect the integrity of every American's vote by passing the Safeguarding American Voter Eligibility (SAVE) Act and any other legislation necessary to ensure that only U.S. citizens are allowed to register and vote in U.S. elections.

The SAVE Act, which has already passed the House, mandates proof of citizenship at the time of voter registration—closing loopholes that currently allow noncitizens to register and possibly vote in our elections. This legislation is supported by the overwhelming majority of Americans across the political spectrum.

I call on you to include the SAVE Act—or stronger America First election integrity measures championed by President Trump—as part of the upcoming Continuing Resolution or any must-pass legislation. Our election systems must be safeguarded before the 2026 midterm election and beyond.

According to recent polling, more than 80% of Americans—including the vast majority of Republicans, Democrats, and independents—agree that proof of citizenship should be required to register to vote. Protecting the right of American citizens to determine the future of our country is not a partisan issue; it is a fundamental duty of Congress.

Therefore, I respectfully request that you:

*Cosponsor and vote YES on the SAVE Act and related election integrity legislation;*

*Demand the inclusion of these measures in the Continuing Resolution or any legislative vehicle moving through Congress;*

*Publicly advocate for election reforms that guarantee only U.S. citizens can vote in our elections.*

*Free and fair elections are the cornerstone of our constitutional republic. I expect you to act decisively to protect them.*
